

EARTH DAY CELEBRATION KIT

ART PROJECT CONTENTS:

- ☀️ 1 CD CASE
- ☀️ 1 BAG OF SOIL
- ☀️ 2 SEED PACKETS
- ☀️ 1 BAG OF CLAY

CD CASE SEED GROWING:

1. Open the clear CD jewel case
2. Add the soil mix and moisten lightly
3. Add a seed
4. Close the case, tape it, and place it in sunlight with the air vent up where you can see it every day
5. Keep it moist

FOREST FACES:

1. From the clay included, form an oval shape for the face on a tree
2. Add natural objects to make facial accent features
3. The Mexo Clay is designed to harden in 24 hours when exposed to air

CONSTRUCT AN INSECT:

1. Find natural objects of various shapes, sizes, and colors
2. Put them together to make a butterfly, bug, or your own creation

NATURE TREASURE BOX:

1. Grab an empty egg carton and collect your favorite treasures from nature

FIND THE RAINBOW:

1. Find every color of the rainbow in natural objects
2. Tape to a sheet of white paper (optional)

COMMUNITY SCIENCE MOBILE OPTIONS:

- ☀️ MISSISSIPPI RIVER PLASTIC POLLUTION INITIATIVE
- ☀️ CITY NATURE CHALLENGE – ST. LOUIS
