A truffle box from the Green Dining Alliance-certified [@kakaochocolatestl](#) is one of the sweetest choices for everyone on your “nice” list! But did you know that the average American throws away the equivalent of \*100 truffle boxes\* each and every year?

You wouldn’t toss fine chocolates – don’t toss other edible items, either! Instead, freeze food before its expiration date, turn scraps into smoothies and soups, and be sure to compost when possible. [#TooGoodToWaste](#)
