Amazing! You could eat 130 of **Grace Meat + Three's** famous fried-chicken sandwiches for the same amount of money the average American spends on \*food they throw away.\*

That's right: As our ad in **Sauce Magazine** this month shows, \$1,300 worth of food goes into the garbage annually. Avoid food waste by always shopping with a list, not buying more than you can use, and finding creative uses for leftovers! **#TooGoodToWaste**
